

Seaside Airport Advisory Committee

Minutes of Meeting

July 27, 2010

Meeting called to order by Committee Chair Randall Henderson at 18:03hrs at Seaside Municipal Airport.

Members present: Roy Bennett, Randall Henderson, Tracy McDonald, Neal Wallace, Wally Hamer, Councilman Don Johnson, Steve Phillips, Guy Williams and Councilwoman Diane Widdop.

Members Absent: None

Guests Present: 30+ guests for the BBQ.

Review of Minutes: Motion by Guy Williams and a second by Don Johnson to approve May 25, 2010 minutes. Motion Passed.

Items of safety & security:

No new additions or comments on proposed gate policy. Signage to be posted about gate usage and access. Signs have been approved and are in production. Still having problems with the gate locks. A hole with drain tile in it has been reported in grass area between runway and taxiway near the South end of runway.

Airport Future Development: None

Infrastructure / Improvements:

2010 project has been approved by FAA and engineers have been given approval to proceed. Oregon Connect III funding will pick up the matching funds for the project.

Public Works to fill some of the post (bollards) holes left from the removal of the cable around the old car parking lot with some gravel for a temporary fix.

Diane Widdop reports that the City of Gearhart does not have any issues with adding a safety over run to the North. Runway safety over run to the north to be added to ALP at next revision.

Other Items:

Jim's Bi-Plane Rides: Now here for the rest of the summer.

Reader/Ad Board: Creekside Pizzeria and Seaside Helo have shown interest in board.

Next Meeting: Every other month schedule - **NEXT MEETING Tuesday, September 28, 2010, Seaside City Hall, 6pm.** If additional meetings need to be held they will remain the 4th Tuesday of each month.

For the Good of the Order: Randall shared a plaque he was presented with from the US Army for his assistance with tools for repair of the UH60 Blackhawk helicopter that made an emergency landing at our airport in mid July.

Meeting adjourned 18:15hrs. BBQ commenced immediately after the meeting.

Minutes by Roy Bennett,
Vice-Chair/Secretary
